The Gin

The mineral rich water from the Acqueverdi waterfall, combined with Juniper from an altitude of 2,400 meters, gentian, wild mallow and mountain roses make this gin something unique.

The Vermouth

This special "mountain wine" requires herbs such as the small-flowered mountain mint, wormwood and the extremely aromatic mountain thyme.

The Bitter

In Bitter Artigianale, wormwood, gentian and elderflower are joined by other essences such as orange peel and liquorice root.
